

ARTIST (PAINTER) / ART THERAPIST

Yukino ONAGA 翁長 結生乃

Since I was 2 years old, I started painting. And I became an artist after an actress.

I produced paintings, videos and wedding dresses made of Kumejima-tsumugi based on the theme of my roots, Okinawa.

Currently, I am exploring new possibilities of art such as Buddha painting and art therapy.

PROFILE

- Birthday Oct 1, 1986 (Libra)
